THE RIGHTWAY CENTRE OF LEARNING — TRINIDAD & TOBAGO

PHASE 1 OF 5

Professional School Website

A fully designed, SEO-ready, 7-page school website with CMS and digital admissions — delivered in 1 week.

PHASE 1 INVESTMENT

USD $2,000

01 WHY START HERE

Your school needs a digital front door — today.

Before parents call, they search. Before they visit, they look you up online. Right now, The RightWay Centre of Learning has no dedicated digital presence — which means potential learners are forming impressions from nothing, or worse, from competitors who do have a website.

Phase 1 gives the school a fast, professional, brand-consistent website that works on every device, ranks on Google, and captures admissions enquiries automatically — even at midnight.

🌐

24/7 Visibility

Parents find you on Google and get all the information they need without calling.

📋

Digital Admissions

8-step online form collects enquiries, documents, and declarations automatically.

📱

Instant Contact

WhatsApp widget connects parents to the school in one tap from any page.
