THE RIGHTWAY CENTRE OF LEARNING — TRINIDAD & TOBAGO

PHASE 3 OF 5

Website + School Management Platform

Your school's complete digital presence — a professional website and a full LMS — integrated, deployed, and ready in 9 weeks.

PHASE 3 INVESTMENT

USD $16,000

- Goodwill discount applied — Referred by **Prof. Elvis Cornerstone**

01 WHY THIS PHASE

One investment. Two systems. Fully connected.

Phase 3 bundles the public-facing school website and the full internal management platform into a single engagement. The two systems share the same database — so what the admin updates in the CMS appears on the website instantly, and admissions form submissions feed directly into the LMS pipeline.

At $16,000, this is $500 less than buying Phase 1 and Phase 2 separately — and you get a fully integrated solution rather than two disconnected tools.
