THE RIGHTWAY CENTRE OF LEARNING — TRINIDAD & TOBAGO

PHASE 4 OF 5

Website + LMS + Full Financial Management

Everything in Phase 3, plus a complete school finance system — invoicing, accounting, payroll, and bank reconciliation — built in.

PHASE 4 INVESTMENT

USD $23,000

- Goodwill discount applied — Referred by **Prof. Elvis Cornerstone**

01 WHY THIS PHASE

Stop managing your school's money in spreadsheets.

Phase 4 adds a full double-entry accounting system to the complete website and LMS platform. Every fee collected, every expense recorded, every payroll run processed — all inside the same platform, with audit trails, export-ready financial statements, and no need for a separate accounting tool.

This is equivalent to running PowerSchool, QuickBooks, and a payroll system simultaneously — for a fraction of the annual cost of those tools combined.
