THE RIGHTWAY CENTRE OF LEARNING — TRINIDAD & TOBAGO

PHASE 5 OF 6

HR & Administration Management

Everything in Phase 4, plus a full HR suite and school administration system — staff management, procurement, inventory, and operational control, all built in.

PHASE 5 INVESTMENT

USD $27,000

- Goodwill discount applied — Referred by **Prof. Elvis Cornerstone**

01 WHY THIS PHASE

Your staff deserve a system that works as hard as they do.

Running a school involves more than teaching — it demands precision in how you manage your people, your assets, and your administrative operations. Without a dedicated system, HR decisions happen on spreadsheets, leave requests travel by text message, and procurement has no verifiable paper trail.

Phase 5 gives The RightWay Centre of Learning a complete HR and administration engine — from the moment a staff member clocks in, to the moment a purchase order is approved and goods are received, every step is tracked, recorded, and reportable.

HR Management

Staff profiles, clock-in/out, leave requests, CPD tracking, performance reviews, and behaviour incident management with 4 severity levels.

Procurement & Inventory

Purchase orders, vendor management, approval workflows, asset registry, stock tracking, and requisitions — all with full audit trails.

Office & Reception

Visitor log, parent communication records, meeting scheduling, duty roster, and administrative reporting — centralised in one place.
